2024 MYSTERY QUILT - STEP 3

For this step you will need:

20 sets you put away from Step 2 (You still have 20 sets left)

And the following pieces:
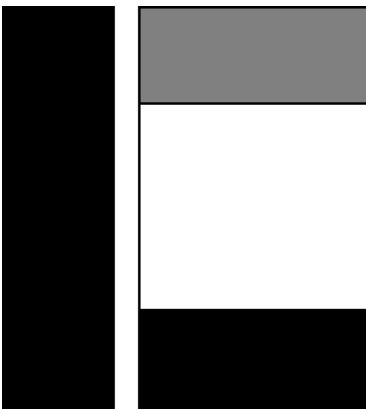

| Color A (Grey)	Color B (Black)	Color C (White)
20 e pieces (1½" x 5½")	20 d pieces (1½" x 4½")	20 c pieces (1½" x 3½")

In this step, always press AWAY from the white.
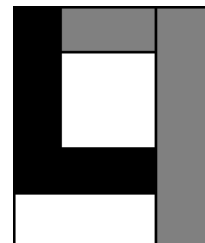

Making sure that you have the Color A (Grey) fabric on <u>TOP</u>, sew a Color B (Black) d piece to the <u>left side</u> of each set. Press towards the Black (Color B)

Sew a Color C (White) c piece to the bottom of each set.

Sew a Color A (Grey) e piece to the right side of each set.

You will make 20 sets. Keep these together and <u>label them Step 3</u> – we will use them in a later step.
